about

NeoStrata Foaming Glycolic Wash

As Seen in
Prevention Magazine and
on **The TODAY Show**

Featured cleanser for
smoothing lines and wrinkles
in Prevention magazine's
latest challenge.

A potent cleanser formulated in an amphoteric system to capture the benefits of Glycolic Acid (18%) and Lactobionic Acid (2%) while minimizing the potential for irritation.

This pH-balanced, soap-free cleanser is formulated to gently exfoliate, unclogs pores, stimulates cell renewal and prepares the skin to optimize the benefits of an antiaging skincare regimen.
