NeoStrata® Skin Active

Antioxidant Defense Serum

Boost your daily **antiaging regimen** with this powerful, concentrated serum formulated to combat oxidation-induced photoaging.

- 8 powerful, **multi-action antioxidants** combat oxidative damage and **protect the skin** from premature aging
- Bionic and Polyhydroxy Acids help **prevent sun-induced cellular damage**
- Citric Acid, Lilac, Green Tea and Chardonnay Grape Seed Extracts work together to **neutralize free radicals** and help preserve healthy DNA

Firming Collagen Booster

Enhance and preserve natural collagen with this concentrated serum, formulated to maximize collagen for skin. **Lifts and firms skin. Smooths lines and wrinkles.**

- Gardenia Cell Culture preserves existing collagen structure and helps stimulate new collagen
- Amino Acids and Matrixyl™ 3000 Peptides help build new collagen
- NeoGlucosamine™ reinforces collagen's protective support matrix
