

## IntelliShade® SPF 45 Matte

You've loved the IntelliShade® SPF 45 anti-aging tinted moisturizer. Now, we're happy to announce that it is available in a **NEW Matte formula**. Specially formulated with the latest pore-minimizing technology to give skin a sheer Matte finish.

Both the new Matte and the original formulas include powerful wrinkle-reducing peptides and also provide broad-spectrum UVA & UVB coverage.

Available at Parkinson Dermatology.
